

DAMMERON VALLEY TRAILS

Hello Dammeron Valley!

We are excited to tell you about the Dammeron Valley Trails Committee, headed up by Mike & Kathy Duvall and Michelle Clonts. Our goals, as Dammeron Valley grows, are to maintain access to the amazing Federal and State lands that surround us--for all types of users--and to make the streets in our community safe and accessible to those users as well.

We are working together with Brooks Pace and Washington County to achieve these goals.

Look for announcements about upcoming meetings on Dammeron Valley Friends. We look forward to seeing you!
